

## Centro studi Giacomo Puccini

### *Call for papers: international conference on Il trittico* (Lucca, 4-6 July 2019)

The Centro Studi Giacomo Puccini, in collaboration with the Fondazione Giacomo Puccini and the Istituto Superiore di Studi Musicali “Luigi Boccherini”, is organizing an international conference on *Il trittico* in the 100th anniversary year of the Italian première (Rome, Teatro Costanzi, 11 January 1919). The conference will take place in Lucca, 4-6 July 2019.

Scholars are invited to submit proposals for papers that present original work investigating some aspect of the genesis, dramaturgy, sources, reception, etc. of *Il tabarro*, *Suor Angelica*, and *Gianni Schicchi* (however, note that the staging manuals for *Il trittico* will be discussed in three papers already programmed). Papers may be in Italian, English, French, or German, and they should be 25 minutes long (followed by 10 minutes for discussion). Only one proposal per person may be submitted.

The proposal should be sent as an attachment (“*.doc*” or “*.docx*”— not “*.pdf*”) in an e-mail sent to [segreteria@puccini.it](mailto:segreteria@puccini.it), with “Convegno Trittico 2019” in the subject line, and it should include the name, address, telephone number, and e-mail of the author. The abstract should include the title of the paper and outline its argument in 500 words maximum. All of the proposals will be examined by the *comitato scientifico* of the Centro Studi Giacomo Puccini after being rendered anonymous; the abstracts should therefore avoid references that would identify the author.

The proposals must arrive no later than 15 December 2018. Within six days an e-mail acknowledging receipt of the proposal will be sent to the author; if that acknowledgment does not arrive the proposal should be re-sent. All those submitting a proposal will be notified of the decision of the *comitato scientifico* by 20 January 2019.

There will be no registration fee. Travel expenses will be the responsibility of the participants, but the organizers of the conference will provide lodging and meals for the duration of the conference to those presenting papers.
